

**HealthIL 2021**

Dec. 6-9, 2021  
HealthIL Week

Dec. 8, 2021  
Main Event, EXPO TLV

# Hit the Ground Running

## Partnership Proposal

After a year of online events, we are excited to partner with you for HealthIL Week 2021, our 4<sup>th</sup> annual mega-event, this time **FACE-TO-FACE**.

### About

HealthIL Week 2021

HealthIL Week 2021 aims to promote the development and **implementation of innovation and digital health in healthcare systems**; driven by the challenges of our health system.

HealthIL Week 2021 is for ALL ecosystem players; where all stakeholders - startups, health organizations, government representatives, corporates, pharma, academy, investors and more - can come together to learn, connect, mingle, explore and promote innovation in one place.

### What

Are we planning?
